Be a Friend of Zoar

Membership of the Zoar Community Association is comprised of many residents of Zoar Village and the surrounding community, descendants of the original settlers of Zoar, and people from all over the country who have just fallen in love with the charm and history of Zoar, and want to see the community thrive.

We're all just "Friends of Zoar."

The ZCA was founded by a group of residents who were inspired by the grit and determination of the "separatists" who first settled in Zoar in 1817, after fleeing from religious persecution in Germany. Today, ZCA strives to keep that spirit alive.

There are many ways you, too can be a friend of Zoar. From volunteering for the many events held in Zoar, to helping with beautification and restoration projects. And, of course, by becoming a member of the Zoar Community Association.

The ZCA is a private, non-profit organization. We are funded through membership, grants, gifts and special events held in Zoar. Our board of trustees and various committee members organize the many events and projects sponsored by the association and work in conjunction with other groups whose goal and objectives are the same, or complement the preservation and restoration of Historic Zoar Village. These include the Ohio Historical Society and the Ohio & Erie Canal Corridor Coalition.

Your membership is important to us. It will help to ensure the growth and success of the ZCA and the preservation of the history and charm of historic Zoar Village. Become a Friend of Zoar. Join Today!
